 A Beka Book

Preschool & Kindergarten

for Quality Christian Education

Dear Parent,

As academic excellence diminished from secular textbooks, we saw the need to publish quality textbooks written from a Christian perspective. *A Beka Book* was started to meet that need.

For many years, Pensacola Christian Academy has had amazing success using *A Beka Book*. PCA recently celebrated its 50th year and now enrolls over 700 in 4 and 5 year old Kindergarten.

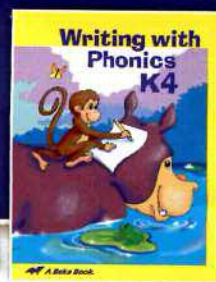

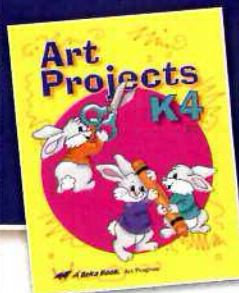

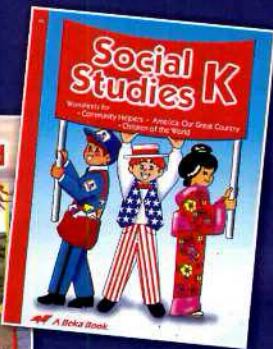

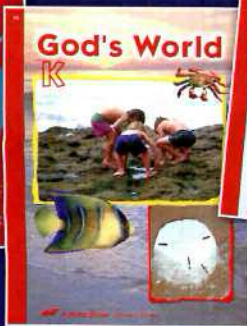

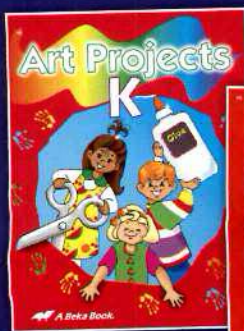

Your child can now have the best in Christian education by using *A Beka Book* textbooks. Your school's qualified staff can lead the way to great results.

Sincerely yours,
